"ON TOP OF THE PALISADES"

August 25, 2011

Dear Residents,

As we are all aware, all weather reports are forecasting that Hurricane Irene will directly impact our community. The anticipated severity of this storm system has prompted Governor Christie to declare a State of Emergency. All weather reports are predicting high winds, excessive rainfall and flooding.

Please remain assured that all Emergency Service Agencies in the Borough of Cliffside Park are on the highest level of alert. Everyone in the Borough is preparing for potential impact of Hurricane Irene and every member of our Emergency Service Agencies will be available to the community on a 24 hour basis.

Every possible resource available to our community is being put forth to ensure your safety, security and to minimize any property damage, both public and private.

I can assure you that every possible effort is being put forth to prepare for this storm and to ensure the safety of our residents. During this storm, I request all residents to remain indoors as much as possible and remain mindful of your neighbors, seniors, friends and family who require special needs. In the event of an emergency, please dial "911."

In addition, please periodically visit the following Web Page:

N.J. OFFICE OF EMERGENCY MANAGEMENT

WWW.READY.NJ.GOV

Rest assured that Borough officials will be available 24/7 to assist in addressing all issues which arise as a result of this Hurricane and remain assured that government is undertaking everything possible, through its Emergency Service Agencies, to keep our community safe and secure.

Very truly yours,

Gerald A. Calabrese
Mayor
